

# Court Replacement Project

**Latest Update – 29<sup>th</sup> September**

## Courts Are Open – Ahead of Schedule!

Dear Member,

We're thrilled to share some fantastic news: **Carpet Courts 1, 2, 3, and 4 will officially be open for booking and play from tomorrow morning, Tuesday 30th September — a whole day earlier than planned!**

Our coaching team has already tested the courts, and the feedback has been nothing short of amazing. Now it's your turn — don't wait, get booking and be among the first to experience the brand-new surfaces!

As for the Kids Zone: since the Tiger Turf material supplied wasn't up to standard, a replacement has been ordered and is expected to arrive within 4–5 weeks. In the meantime, the Kids Zone will be given a fresh temporary paint job on Wednesday morning, so it will be perfectly playable that very evening.

A huge thank you once again for your patience, support, and enthusiasm throughout this exciting project. We can't wait to see our members back on court, enjoying these upgrades for many years to come.

**See you on court soon!**

Kind regards

Mel
